

We thank you for your SERVICE!

Enjoy a 15% discount.

God Bless America

US MILITARY DISCOUNT PROGRAM

If you are a US Military Reservist, US Military Active Duty, or US Military Retired, Bradley Alpinist will extend to you a 15% discount on any personal purchase of items we post on our website. Items offered by our suppliers, but are not found on our website will be handled on a case by case basis. We cannot discount the Military versions of product offered by our supplier Wild Things Gear, unless it is for personal use, on or off duty (not a program for equipping teams/units).

This US Military Discount Program is reserved for individual purchase only, and not intended for Military procurement or volume purchases for military usage and fulfillments (this type of purchase is arranged and quoted separately).

To receive this discount, we require a photocopy of your Military ID (with certain information blacked out). Please photocopy only the front, and **“black out”** the bar codes, and your SSN. Or, you can provide us a photocopy of your LES (Leave and Earnings Statement), with your SSN **“blacked out”**.

Please call us (970-626-6072) or email us (climberservices@bradleyalpinist.com) to let us know if you are interested in receiving the discount. If mailing, please mail the required document to:

**Bradley Alpinist
P.O. Box 2986
Corrales, NM 87048**

Or, if scanning, email to: climberservices@bradleyalpinist.com .

To ensure your privacy, and security, we will record your name as a part of this program, and will shred the documents you send us. You only need to do this one time. Each time you require a discount, we will email you a unique discount code to use on the website. Each coupon code is good for one single transaction, but may contain as many items you wish at the same discount rate. This discount is for purchases for your own personal use, on or off duty. We reserve the right to revoke the discount privilege from anyone who may abuse the intention of this offer.

If the above required documents are not possible to provide because of policy and/or security reasons, please call us to discuss other ways of helping us verify your US Military status so that we may include you in the Military Discount Program.

The staff at Bradley Alpinist thanks you for your service to our country, defending our freedoms and values, for your personal sacrifice, and your family's sacrifice. May God Bless!
